

Module One

Two (2) workshops designed for those wanting to use Lightroom for managing and editing their own digital & scanned images. Each workshop runs for half a day

Module Two will be in Feb 2018.

Monday 6 Nov 2017

Workshop 1 — 9.30am to 12.30pm

Workshop 2 — 1pm to 3.30pm

Read before booking

Each workshop is stand-alone —
you can attend either or both.

Pre-requisites before registering:

Adobe Photoshop Lightroom installed (not the Trial);
a desktop computer you can carry in
(or a laptop plus monitor);

and a reasonable collection of different images
(hundred+) in one place on the computer or external
hard drive. Full program overleaf.

Maximum of fourteen (14) places only

Payment required at time of registration
