

Course 901 – Seminar Program

DNA with Kerry Farmer – understanding your results

Saturday 12 January 2019

2pm to 4.30pm - Education Room

Members \$25, Non-Members \$30

PROGRAM

- 1. Tips and Tricks for understanding matches**
- 2. Using DNA to find hidden family**

Kerry began teaching classes in “Family History Research using the Internet” in Sydney in 1997. With degrees in both science and humanities, she is on the Board of the Society of Australian Genealogists and convenor of their Education Committee. A regular speaker at conferences and other events, Kerry is also the Director of Australian Studies for the National Institute for Genealogical Studies, developing their course series ‘Certificate in Genealogical Studies – Australian Records’.

Recently Kerry presented at our DNA Symposium in August. She advocates that DNA is an essential tool for the modern genealogist. If you have taken the plunge into DNA, she will help you understand how to make the most of your results, suggesting interpretive angles that will advance your success.
