

Heraldry and Genealogy Society of Canberra (HAGSOC)

Family Tree Maker (FTM) Workshop for Intermediate Skilled Users of FTM

A half day workshop on 1st June, 2019, from 1pm to 5pm in the Education Room at Cook

This workshop is designed for anyone who has some basic skills in using the genealogy data base Family Tree Maker (FTM) but wants to improve their data entry and outputs from their genealogy research. The workshop program will give an overview of the FTM work spaces and include detailed sessions on maps and places, charts and reports, media (certificates, photos, etc.) web searches and other topics identified by workshop participants.

Sessions will be led by experienced FTM users from the HAGSOC FTM Users group (we meet regularly on the second Thursday of the month, 10am-12md).

Workshop participants are strongly encouraged to bring their laptops as practice time will be included in the program. We can help if needed.

Cost: HAGSOC members \$20 Non Members \$30

Venue: HAGSOC Education Room, Unit 7, 41 Templeton Street, Cook.
